

Ukulele Rocks!

‘Elephants like to what?!’

The Ukulele has 4 strings they are called A E C and G

To help us remember the names of the strings we can say this rhyme;

All
Elephants
Can
Grumble!

We can turn this into a simple piece.

- Use a 'Held' thumb to play each string four times through.
- Play all the strings (A, E, C, G) twice through
- The first time you play it say the rhyme to go with the first pick of the string;

“All Elephants Can Grumble!”
A A A A E E E E C C C C G G G G

- The second time through say the string name instead of the rhyme word.
