

Using the Scale of C in Composition

• Hints and Tips...

- Repetition is good!
- Do your sums! Make sure each bar adds up to 4 beats
- Don't try and use EVERY single note
- Note which notes on which strings are good to use
- Start on 'C' and end on 'C'
- Look at the example below...play through it. Can you see where the above ideas are used in it?

Now try writing your own composition using the ideas above! Good luck!
Remember—if you don't like something, change it!
