[Intro]

C F Am G

[Chorus]

Oh, don't you dare look back
Just keep your eyes on me
I said you're holding back
She said shut up and dance with me!
This woman is my destiny
She said ooh-oh-hooh!
Shut up and dance with me

[Break]

F G Am G
F G C G

[Verse 1]

We were victims of the night
The chemical, physical, kryptonite
Helpless to the bass and faded light
Oh, we were born to get together
Born to get together

[Pre-chorus]

She took my arm,
I don't know how it happened
We took the floor and she said

[Chorus]

Oh, don't you dare look back
Just keep your eyes on me
I said you're holding back
She said shut up and dance with me!
This woman is my destiny
She said ooh-oh-hooh!
Shut up and dance with me

[Break]

F G Am G

[Verse 2]

A backless dress and some beat up sneaks
My discothèque, Juliet teenage dream
I felt it in my chest as she looked at me
I knew we were born to be together
Born to be together

Pre-chorus]

She took my arm
I don't know how it happened
We took the floor and she said

[Chorus]
